

## Top Music wins Audiophile Award with Cala's *The London Violin Sound*

### 25th Anniversary Hi Fi Album Awards - 2018 Best Chamber Album Guangzhou Baiyun International Convention Center, China

Cala's Hong Kong distributor, Povee Chan of Top Music International, has been making audiophile SACD and LP versions of Cala recordings for several years. His versions are mastered to very high quality using High Precision Mastering, SADIE mastering equipment, Black Rodium cables, the Isoclean Power Conditioning System, and Almarro and Octave speakers and preamps.

In 2015 Povee won an Audiophile CD Award with the London Double Bass Sound, with the judges describing it as "...presented by renowned director, Geoffrey Simon, outstanding performances of incredible and sophisticated masterpieces, featuring world-acclaimed leading double bassist, Gary Karr, and eight celebrated double bass masters from the UK."

In 2017 came the Best Cello Album award for Latin Cello: "Latin Cello, featuring 12 instrumental selections, features 24 top cellists from the London Symphony Orchestra, London Philharmonic Orchestra, Royal Philharmonic Orchestra, Academy of St. Martin in the Fields, English Chamber Orchestra and many others. The sumptuous strains of the cellos resound with each other, creating extraordinarily grand Latin rhythms."

2018's Best Chamber Album award further cements Povee's reputation. Our congratulations to him for this recognition of his skill and the quality of his mastering.
